### CAREER OUTLOOK

The Criminal Justice program can lead students into a number of occupations, which may include: emergency management directors; personal service managers, all other; entertainment & recreation managers, except gambling; & managers, all other; and compliance officers. Many of the Criminal Justice program students will enter the Brunswick County workforce.

Using the county number of annual openings for these occupations (36) and subtracting the FY 2019-20 BCC completers that may fill these openings (13), we arrive at a gap of 23 job openings.<sup>2</sup> There are 29 unique job postings at the associate degree or below for these occupations in Brunswick County. The top three posting companies are: Cisco Systems, Inc.; Brunswick County Board of Education; and Corecivic, Inc.

### ALUMNI IMPACT

Former students of BCC's Criminal Justice program added \$5.2 thousand in income to the Brunswick County economy in FY 2019-20. This figure represents the increased wages collected by former students active today in the county workforce as a direct result of their education, the increased output of businesses that employ these students, and the multiplier effects that occur.

## STUDENT RETURN ON INVESTMENT

To earn a degree or certificate in the program, students experience costs in the form of tuition and fees, books and supplies, and the opportunity cost of attending school instead of working. In return for this investment, students can earn higher wages. For every dollar students invest in their education in the program, they will receive \$9.60 back over the course of their working lives. This investment can also be seen in terms of a rate of return of 25.2%. This is an impressive return, especially when compared to the U.S. stock market 30-year average return of 10.6%.

## TAXPAYER BENEFITS

Taxpayers will receive an estimated present value of \$738.5 thousand in added tax revenue stemming from the students' higher lifetime earnings and the increased output of businesses. Savings to the public sector add another estimated \$45.5 thousand in benefits due to a reduced demand for government-funded social services in North Carolina. Throughout the students' working lives, North Carolina taxpayers will receive a total of \$784.0 thousand in benefits.
