

# The Economic Value of Isothermal Community College

Isothermal Community College (ICC) creates a significant positive impact on the business community and generates a return on investment to its major stakeholder groups—students, taxpayers, and society. Using a two-pronged approach that involves an economic impact analysis and an investment analysis, this study calculates the benefits received by each of these groups. Results of the analysis reflect fiscal year (FY) 2019-20.

THE ICC SERVICE AREA, NC

## ECONOMIC IMPACT ANALYSIS

In FY 2019-20, ICC added **\$112 million** in income to the ICC Service Area\* economy, a value approximately equal to **4.9%** of the region’s total gross regional product (GRP). Expressed in terms of jobs, ICC’s impact supported **2,373 jobs**. For perspective, the activities of ICC and its students support **one out of every 15 jobs** in the ICC Service Area.

### OPERATIONS SPENDING IMPACT

- ICC employed 392 full-time and part-time faculty and staff. Payroll amounted to \$14 million, much of which was spent in the region for groceries, mortgage and rent payments, dining out, and other household expenses. The college spent another \$8.9 million on day-to-day expenses related to facilities, supplies, and professional services.
- The net impact of the college’s operations spending added **\$17.1 million** in income to the regional economy in FY 2019-20.

### STUDENT SPENDING IMPACT

- Around 21% of students attending ICC originated from outside the region. Some of these students relocated to the ICC Service Area. In addition, some in-region students, referred to as retained students, would have left the ICC Service Area for other educational opportunities if not for ICC. These relocated and retained students spent money on groceries, mortgage and rent payments, and other living expenses at regional businesses.

\* For the purposes of this analysis, the ICC Service Area is comprised of Polk and Rutherford Counties.

- The expenditures of relocated and retained students in FY 2019-20 added **\$2.9 million** in income to the ICC Service Area economy.

#### ALUMNI IMPACT

- Over the years, students have studied at ICC and entered or re-entered the workforce with newly-acquired knowledge and skills. Today, thousands of these former students are employed in the ICC Service Area.
- The net impact of ICC's former students currently employed in the regional workforce amounted to **\$92 million** in added income in FY 2019-20.

## INVESTMENT ANALYSIS

#### STUDENT PERSPECTIVE

- ICC's FY 2019-20 students paid a present value of **\$2.7 million** to cover the cost of tuition, fees, and supplies. They also forwent **\$12.1 million** in money that they would have earned had they been working instead of attending college.
- In return for their investment, students will receive a cumulative present value **\$77.2 million** in increased earnings over their working lives. This translates to a return of **\$5.20** in higher future earnings for every dollar students invest in their education. Students' average annual rate of return is **27.4%**.

#### TAXPAYER PERSPECTIVE

- Taxpayers provided ICC with **\$15.5 million** of funding in FY 2019-20. In return, they will benefit from added tax revenue, stemming from students' higher lifetime earnings and increased business output, amounting to **\$20.8 million**. A reduced demand for government-funded services in North Carolina will add another **\$1.6 million** in benefits to taxpayers.
- For every dollar of public money invested in ICC, taxpayers will receive **\$1.50** in return, over the course of students' working lives. The average annual rate of return for taxpayers is **3.4%**.

#### SOCIAL PERSPECTIVE

- In FY 2019-20, North Carolina invested **\$36.8 million** to support ICC. In turn, the North Carolina economy will grow by **\$233.1 million**, over the course of students' working lives. Society will also benefit from **\$5.1 million** of public and private sector savings.
- For every dollar invested in ICC in FY 2019-20, people in North Carolina will receive **\$6.50** in return, for as long as ICC's FY 2019-20 students remain active in the state workforce.
