

The Economic Value of Johnston Community College

Johnston Community College (JCC) creates a significant positive impact on the business community and generates a return on investment to its major stakeholder groups—students, taxpayers, and society. Using a two-pronged approach that involves an economic impact analysis and an investment analysis, this study calculates the benefits received by each of these groups. Results of the analysis reflect fiscal year (FY) 2019-20.

JOHNSTON COUNTY, NC

ECONOMIC IMPACT ANALYSIS

In FY 2019-20, JCC added **\$138.7 million** in income to the Johnston County economy, a value approximately equal to **2.1%** of the county's total gross regional product (GRP). Expressed in terms of jobs, JCC's impact supported **2,774 jobs**. For perspective, the activities of JCC and its students support **one out of every 29 jobs** in Johnston County.

OPERATIONS SPENDING IMPACT

- JCC employed 752 full-time and part-time faculty and staff. Payroll amounted to \$25.8 million, much of which was spent in the county for groceries, mortgage and rent payments, dining out, and other household expenses. The college spent another \$17.5 million on day-to-day expenses related to facilities, supplies, and professional services.
- The net impact of the college's operations spending added **\$33.8 million** in income to the county economy in FY 2019-20.

STUDENT SPENDING IMPACT

- Around 31% of students attending JCC originated from outside the county. Some of these students relocated to Johnston County. In addition, some in-county students, referred to as retained students, would have left Johnston County for other educational opportunities if not for JCC. These relocated and retained students spent money on groceries, mortgage and rent payments, and other living expenses at county businesses.
- The expenditures of relocated and retained students in FY 2019-20 added **\$4.1 million** in income to the Johnston County economy.
