

# The Economic Value of Vance-Granville Community College

Vance-Granville Community College (VGCC) creates a significant positive impact on the business community and generates a return on investment to its major stakeholder groups-students, taxpayers, and society. Using a two-pronged approach that involves an economic impact analysis and an investment analysis, this study calculates the benefits received by each of these groups. Results of the analysis reflect fiscal year (FY) 2019-20.

THE VGCC SERVICE AREA. NC

# **ECONOMIC IMPACT ANALYSIS**

In FY 2019-20, VGCC added \$129.5 million in income to the VGCC Service Area' economy, a value approximately equal to 2.1% of the region's total gross regional product (GRP). Expressed in terms of jobs, VGCC's impact supported 2,450 jobs. For perspective, the activities of VGCC and its students support one out of every 30 jobs in the VGCC Service Area.

### **OPERATIONS SPENDING IMPACT**

- VGCC employed 417 full-time and part-time faculty and staff. Payroll amounted to \$16 million, much of which was spent in the region for groceries, mortgage and rent payments, dining out, and other household expenses. The college spent another \$11.8 million on day-to-day expenses related to facilities, supplies, and professional services.
- The net impact of the college's operations spending added \$19.2 million in income to the regional economy in FY 2019-20.

### STUDENT SPENDING IMPACT

- Some in-region students, referred to as retained students, would have left the VGCC Service Area for other educational opportunities if not for VGCC. These retained students spent money on groceries, mortgage and rent payments, and other living expenses at regional businesses.
- The expenditures of retained students in FY 2019-20 added \$1.6 million in income to the VGCC Service Area economy.

# INVESTMENT ANALYSIS

#### STUDENT PERSPECTIVE

- VGCC's FY 2019-20 students paid a present value of \$4.6 million to cover the cost of tuition, fees, and supplies. They also forwent \$23.4 million in money that they would have earned had they been working instead of attending college.
- In return for their investment, students will receive a cumulative present value \$115.2 million in increased earnings over their working lives. This translates to a return of \$4.10 in higher future earnings for every dollar students invest in their education. Students' average annual rate of return is 19.9%.

## TAXPAYER PERSPECTIVE

- Taxpayers provided VGCC with \$20.1 million of funding in FY 2019-20. In return, they will benefit from added tax revenue, stemming from students' higher lifetime earnings and increased business output, amounting to \$30.8 million. A reduced demand for government-funded services in North Carolina will add another \$3.1 million in benefits to taxpayers.
- For every dollar of public money invested in VGCC, taxpayers will receive \$1.70 in return, over the course of students' working lives. The average annual rate of return for taxpayers is 4.2%.

## **SOCIAL PERSPECTIVE**

- In FY 2019-20, North Carolina invested \$53.9 million to support VGCC. In turn, the North Carolina economy will grow by \$342.8 million, over the course of students' working lives. Society will also benefit from \$8.2 million of public and private sector savings.
- For every dollar invested in VGCC in FY 2019-20, people in North Carolina will receive \$6.50 in return, for as long as VGCC's FY 2019-20 students remain active in the state workforce.
